NOTES:

1) As part of the Comprehensive Plan amendment process, the triangular area bounded by Broad Street, Denny Way, and Aurora Avenue is proposed to become part of the Uptown Urban Center. This matter is pending further review with the Executive and the City Council and incorporation of this change through an adopted amendment would not occur until later this year.

2) The South Park neighborhood planning area boundary shown here is identical to the residential urban village boundary. Another version of the South Park neighborhood planning area boundary is shown on the City of Seattle Web site, such as:

www.cityofseattle.net/neighborhoods/planning/South%20Park.pdf
www.seattle.gov/cdp/stellent/groups/cpan/@pan/documents/web_informational/dps_006870.pdf

and is based on what appears to be an "Outreach Area" identified in the South Park neighborhood plan. This boundary is not shown on this map because it extends into areas beyond the city limits.
